Overview

Speakers: Tessa-Jade Heise (Barrister, 4-5 Gray's Inn Square)

As cross-border commercial activity accelerates and the mobility of goods and services increases, the enforceability of English judgments overseas remains an important consideration for lawyers and their clients.

This webinar provides a practical overview of the key legal and procedural considerations lawyers should be mindful of when seeking to enforce English Judgments abroad.

Attendance

Registration will be confirmed via email once you have clicked the link provided above. Please note that no additional registrations will be accepted once the webinar begins at 10:30am (Thursday 8th May 2025).
