Mark Engelman

Year of Call: 1989

Practice Summary

Mark Engelman is a leading junior barrister specialising in intellectual property law, covering areas of practice such as patents, trademarks, copyright, trade secrets, design rights, data protection and a wide range of internet-related matters.

Mark provides an end-to-end service, working directly with clients from the first letter of contact to presenting cases in court and on appeal all the way to the European Court. Specialities also include defamation and media, contract and commercial disputes, along with commercial contract drafting and negotiation. Clients range from multinationals through SMEs to individuals as well as intermediaries.
